ABSTRACT

Minal's Personality Depicted in Patriarchy Culture of a Movie Entitled "Pink"

Siti Lailatul Jalilah

English Literature Department, Faculty of Letters, Gresik University

Gender inequality and patriarchal culture are the causes of discriminatory treatment of women. If girls do not adhere to or go against these norms, they are labeled as 'girls with a naughty personality' or 'anti-social'. Personality is a description of how a person behaves towards the people around him, which can be seen from his habits of thinking, attitudes, and interests, as well as his unique outlook on life. In this research, the researcher analyzes patriarchal culture in the movie entitled "Pink" and Minal's personality as depicted in a patriarchal culture in the movie entitled "Pink". This research aims to describe patriarchy in the movie "Pink" and Minal's personality in the patriarchal culture in the movie "Pink".

The data sources for this research are dialogue, narration, and Minal's behavior in the movie Pink. The data collected is watching movies, reading scripts, and understanding the contents of the movie, then finding out statements. The data analysis process is reading data, classifying, analyzing, interpreting, and drawing conclusions.

The results of this research describe a patriarchal culture in society and forms of gender discrimination such as marginalization, subordination, stereotypes, and sexual violence. This research also describes the main character's personality as openness, cautiousness, extraversion, friendliness, and neuroticism. The women in this film have modern personalities. It is the reason they get a bad label in society. The patriarchal system affects the personality and robs women of their right to freedom.

ABSTRAK

Kepribadian Minal yang Tergambar dalam Budaya Patriarki di Film Berjudul “Pink”

Siti Lailatul Jalilah

Program Studi Sastra Inggris, Fakultas Sastra, Universitas Gresik

Ketidaksetaraan gender dan budaya patriarki menjadi penyebab terjadinya perlakuan diskriminatif terhadap perempuan. Jika anak perempuan tidak mematuhi atau melanggar norma-norma tersebut, mereka akan dicap sebagai ‘anak perempuan berkepribadian nakal’ atau ‘anti-sosial’. Kepribadian merupakan gambaran bagaimana seseorang berperilaku terhadap orang-orang disekitarnya, yang terlihat dari kebiasaan berpikir, sikap dan minatnya, serta pandangan hidupnya yang unik. Dalam penelitian ini, penulis menganalisis budaya patriarki dalam film berjudul “Pink” dan kepribadian Minal yang tergambar dalam budaya patriarki dalam film berjudul “Pink”. Penelitian ini bertujuan untuk mendeskripsikan patriarki dalam film “Pink” dan kepribadian Minal dalam budaya patriarki dalam film “Pink”.

Sumber data penelitian ini adalah dialog, narasi, dan perilaku Minal dalam film Pink. Data yang dikumpulkan adalah menonton film, membaca naskah, dan memahami isi movie, kemudian mencari tahu pernyataan-pernyataan. Proses analisis data adalah membaca data, mengklasifikasikan, menganalisis, menafsirkan, dan menarik kesimpulan.

Hasil penelitian ini mendeskripsikan budaya patriarki dalam masyarakat dan bentuk-bentuk diskriminasi gender seperti marginalisasi, subordinasi, stereotipe, dan kekerasan seksual. Penelitian ini juga mendeskripsikan kepribadian tokoh utama seperti keterbukaan, kehati-hatian, ekstraversi, keramahan, dan neurotisme. Para perempuan dalam film ini memiliki kepribadian yang modern. Hal inilah yang menyebabkan mereka mendapat label buruk di masyarakat. Sistem patriarki mempengaruhi kepribadian dan merampas hak kebebasan perempuan.

Kata kunci : patriarki, diskriminasi gender, kepribadian
